The California University of Science and Medicine, is a private, not-for-profit medical school which has an immersive approach to teaching medicine grounded in compassionate clinical practices with a focus on the evolution of medicine and technology

Mission
To advance the art and science of medicine through innovative medical education, research, and compassionate health care delivery in an inclusive environment that advocates critical thinking, creativity, integrity, and professionalism

Vision
To develop a socially accountable medical school that:
- Directs its education, research, and service activities towards addressing the priority health concerns and wellbeing of its community
- Inspires, motivates, and empowers students to become excellent and caring physicians, scientists and leaders
- Facilitates a medical education to promising students especially from California’s Inland Empire
- Shares freely with the global community its innovative curriculum and advances of best practices in medical education
Arrowhead Regional Medical Center (ARMC) is the teaching hospital for the California University of Science and Medicine

Arrowhead Regional Medical Center is the teaching hospital for CUSM. It is a 456-bed hospital located on a 70-acre campus in Colton, California. It is a designated Level II trauma center and operates a regional burn center, a primary stroke center, a behavioral health center, five primary care centers, four off-site Family Health Centers, and more than 40 outpatient specialty care services.

Community Partnerships

The CUSM School of Medicine has partnered with ARMC as the training ground for the medical school to train and expose students to the highest quality of health care.

Community-focused partnerships allow CUSM to make connections between academic medicine and the surrounding community to improve health outcomes for area residents:

- Arrowhead Regional Medical Center (affiliate hospital)
- Prime Healthcare Foundation (founding donor)
- Claremont Graduate University, member of the Claremont Colleges
- County of San Bernardino
- City of Colton

Core Values

Community-Focused

Committed to educating future physicians who will embrace the responsibility for improving the health and health care needs and underserved communities and be advocates for the elimination of health disparities

Accountability

Accept individual and collective responsibility to direct education, research, and service activities to address the priority health concerns that span from the local to the global community

Leadership

Promote effective changes in educational policies and processes in order to develop and train competent physicians who will have leadership roles in all domains of medicine

Motivation

Inspire, shape, and mold the character of students through dedicated faculty and creative, innovative teaching methods

Excellence

Achieve consistent outstanding levels of performance that exceed the expectations of our students while upholding the highest standards of ethical behavior, intellectual honesty, and professional conduct

Diversity

Promote, cultivate, and respect ethnic, intellectual, social, and cultural diversity of students, faculty, and patients in a safe, positive, and nurturing environment

Our Founding

CUSM welcomed its inaugural class in 2018 and was founded through a private-public partnership with Arrowhead Regional Medical Center as its teaching hospital, the County of San Bernardino, the City of Colton and funded in large part through the Prime Healthcare Foundation.

The Prime Healthcare Foundation, a 501(c) (3) public charity with a mission to improve healthcare through educational and charitable initiatives, largely funded the establishment of CUSM. Prem Reddy, MD, founder of Prime Healthcare and the Prime Healthcare Foundation, had a vision of establishing a medical school, believing that education and healthcare can profoundly improve the lives of others. Dr. Reddy committed more than $60 million towards the establishment of CUSM.
